orthodontics'

Prepoplus

Prepoplus

- **soft and comfortable:**
a perfect fit to the patient's physiology
- **no hook:**
does not hurt, very good acceptance after a fixed treatment
- **available for no-extraction, upper extractions or 4 extractions cases:**
its many sizes allow a customization of a standard device
- **dental intercuspation:**
takes the vertical dimension and the final occlusion into consideration

comes with instructions for wear to the patient

No Extraction	Extraction $\frac{4}{4}$	Extraction $\frac{4}{4}$ $\frac{4}{4}$
